

Cambridge Ophthalmological Symposium Chairs 1971—2021

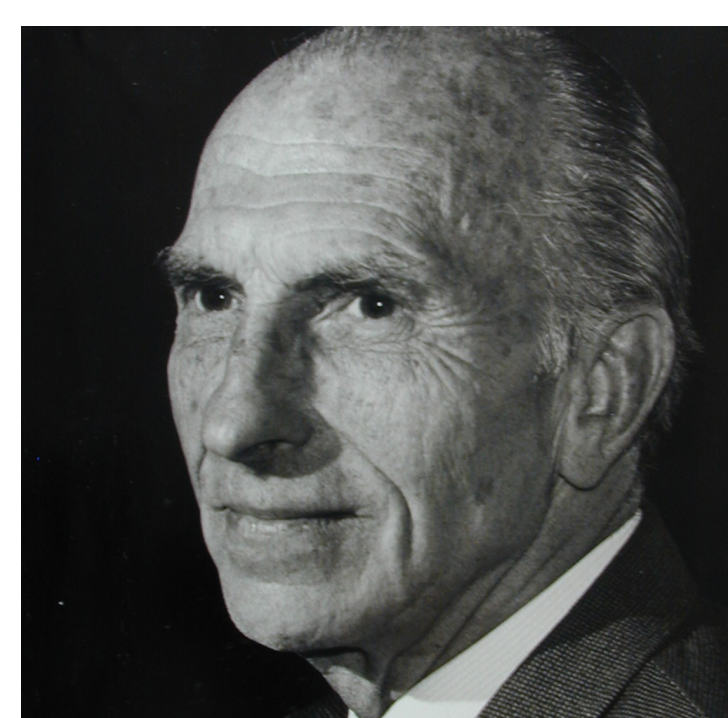

1971

Glaucoma
Prof Hans Goldmann

1972

Corneal Graft Failure
Prof Bernie Jones

1973

Strabismus
Mr T Keith Lyle

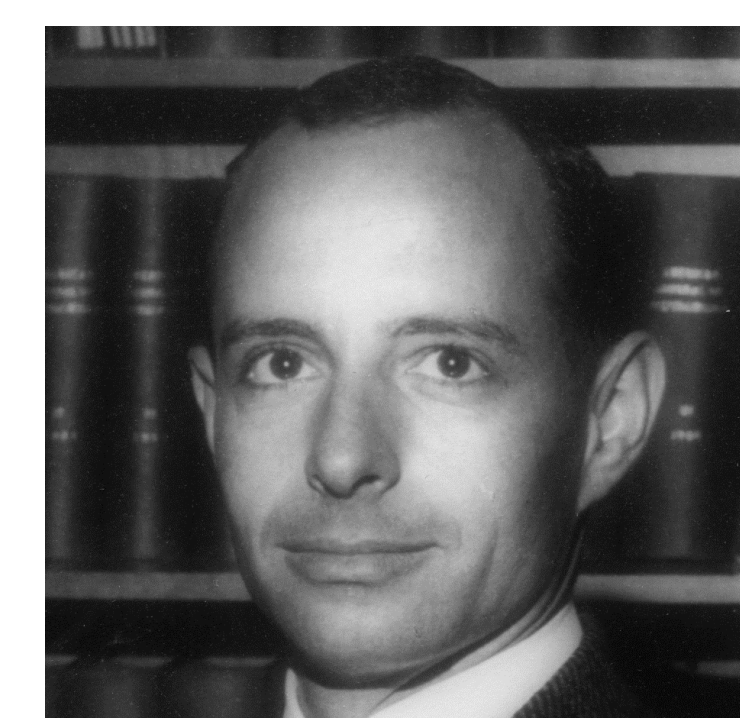

1974

Connective Tissue Disease
Prof A Edward

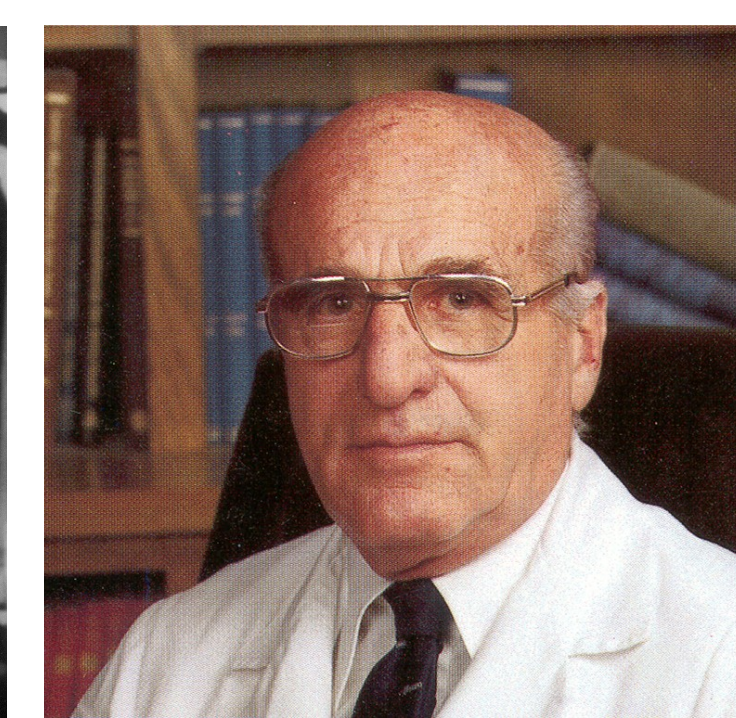

1975

The Vitreous
Prof Michael J Hogan

1976

The Optic Nerve
Prof William F Hoyt

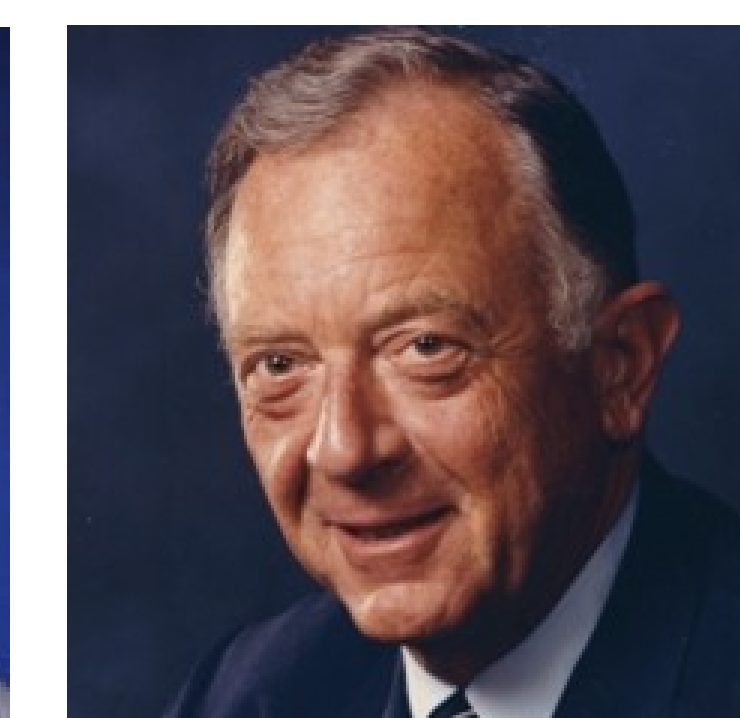

1977

Pigmented Tumours
Prof Frederick C Blodi

1978

Destructive Diseases of the Cornea
Prof Doug Coster

1979

Amblyopia
Prof Gunter K von Noorden

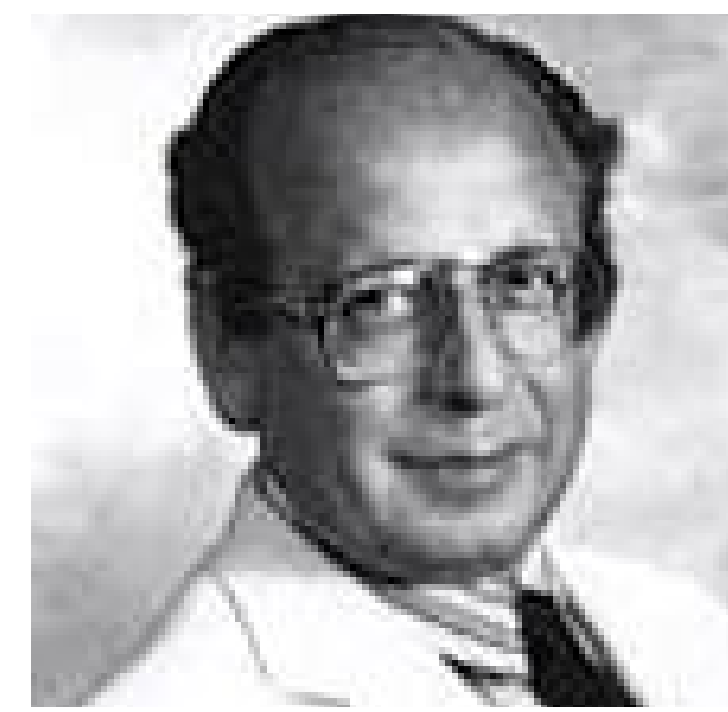

1980

The Ocular Vasculature
Prof Norman Ashton

1981

Uveitis
Prof Arthur Silverstein

1982

The Lens
Prof J E Collier

1983

The Outer Retina
Prof John Dowling

1984

The Dry Eye
Prof Peter Wright

1985

The Ciliary Body
Prof Anders Bill

1986

The Aging Eye
Prof John Marshall

1987

The Eyelids
Prof Gabe M Bleeker

1988

The Limbus
Prof Doug Coster

1989

Choroidal Circulation & Retinal Metabolism
Prof Wallace S Foulds

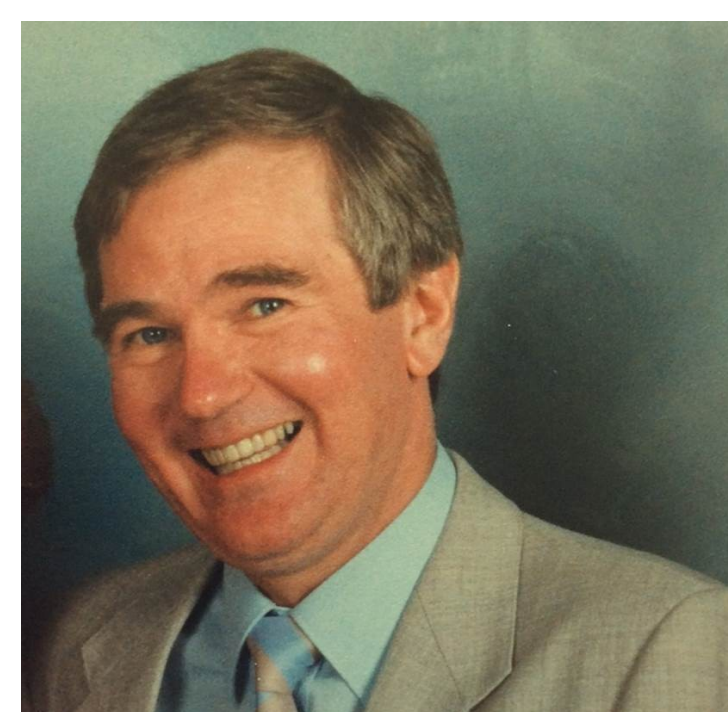

1990

The Ischaemic Eye
Prof Stephen J Ryan

1991

The Neonatal Eye
Prof T J Flynn

1992

Diabetes
Dr Angus C MacCuish

1993

Repair, Regeneration and Development
Prof Chris Wylie

1994

Transplantation
Prof J Richard Bachelor

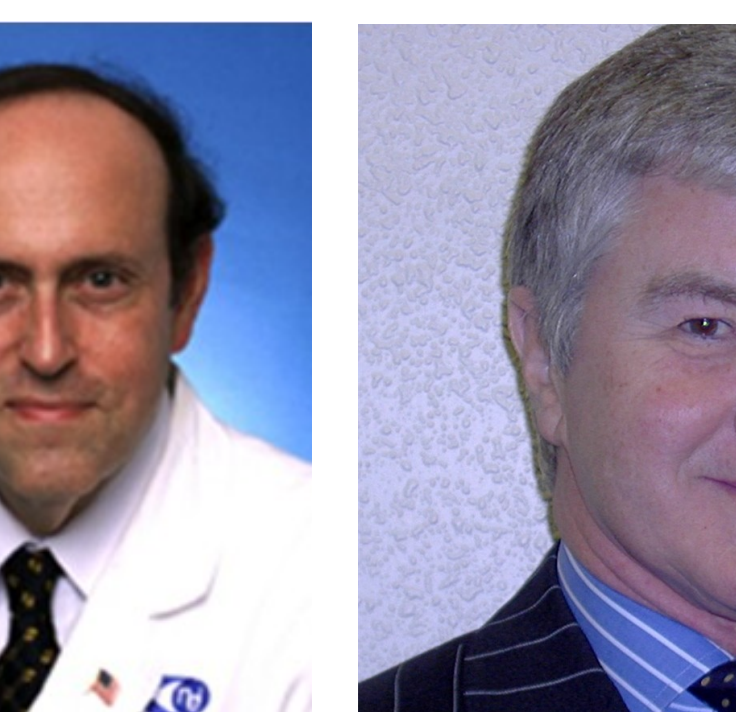

1995

Binocularity
Prof Guntram Kommerell

1996

The Uvea
Prof Ronald Smith & Prof Robert Nussenblatt

1997

The Photoreceptor
Prof John Marshall

1998

The Lens
Prof Anthony Bron & Prof Leo Chylack

1999

Glaucoma
Prof Roger Hitchling & Prof Ian Grierson

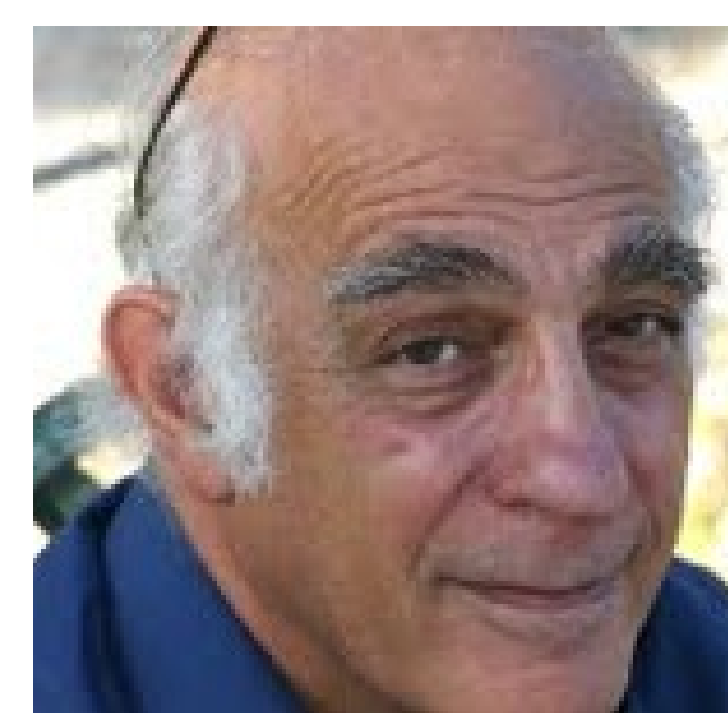

2000

The Aging Macula
Prof Alan Bird

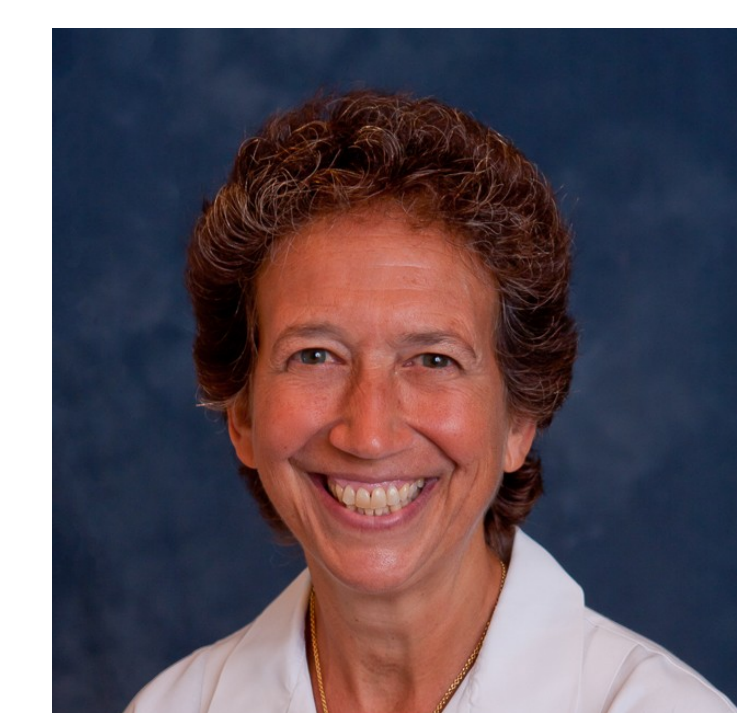

2001

Retinal Detachment
Prof Stephen J Ryan

2002

The Cornea
Prof Anthony Bron

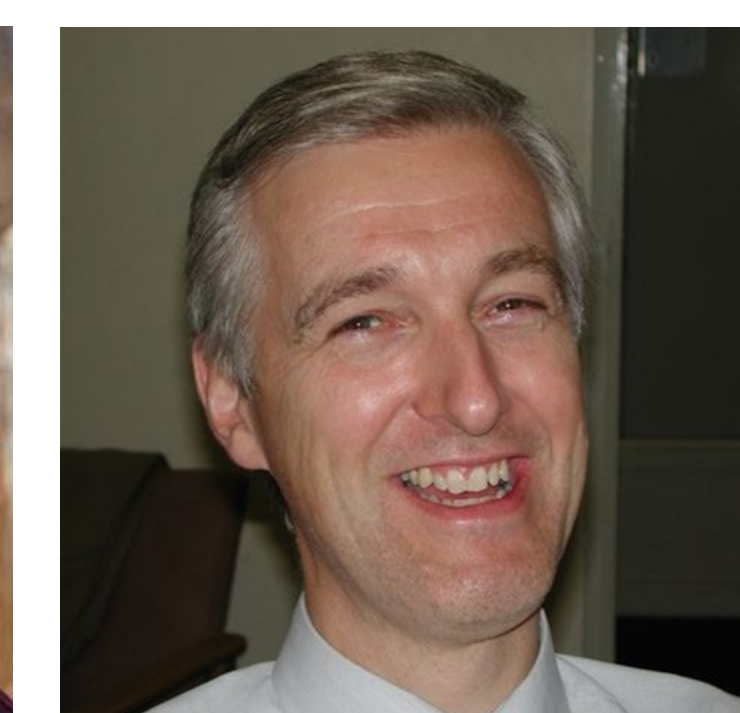

2003

The Optic Nerve
Prof Nancy Newman

2004

The Management of Blinding Disease
Prof Allen Foster

2005

The Orbit
Prof Geoffrey Rose

2006

Childhood Visual Impairment
Prof Tony Moore

2007

The Vitreous
Mr Martin Snead

2008

Transplantation
Prof Doug Coster

2009

The Chorioretinal Vasculature
Prof Neil Bressler

2010

Imaging the Visual System
Prof Robert Weinreb

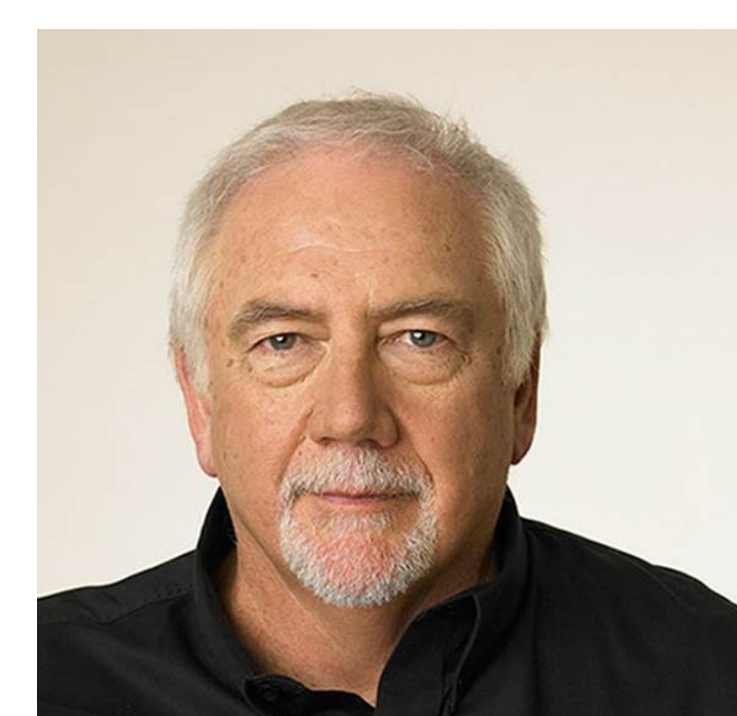

2011

Infection
Prof John Dart

2012

Cancer and the Eye
Prof Bertil Damato

2013

Refraction
Prof Brien Holden

2014

Ocular Mobility
Mr Michael Clarke & Mr Anthony Vivian

2015

Light
Prof John Marshall

2016

The Retinal Ganglion Cell
Prof Keith Martin & Prof Jonathan Crowston

2017

“Go with the Flow” Rheology and the Eye
Prof Einar Stefansson

2018

The Thyroid and the Eye
Prof Marian Ludgate & Prof Tim Sullivan

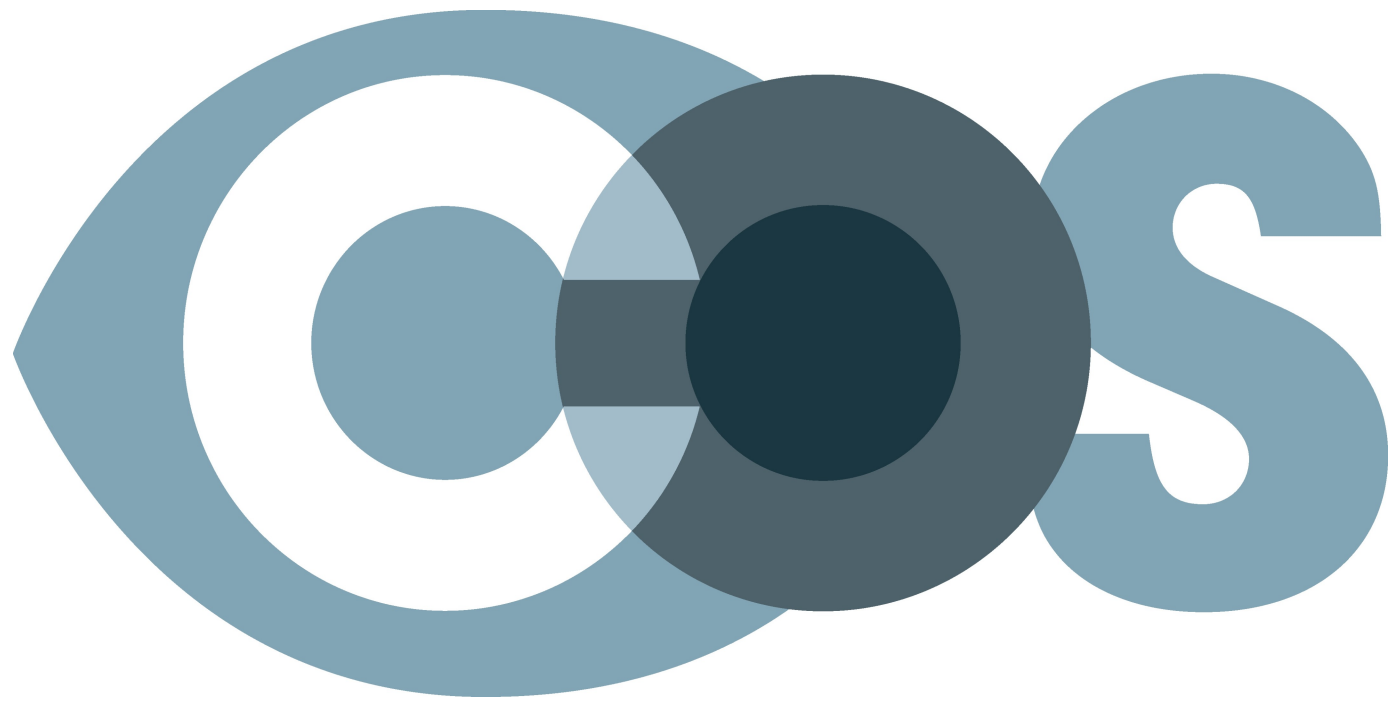

2019

Fibrosis and the Eye
Prof Sir Peng Khaw

2021

Peter Watson Memorial Lecture
Prof Hugh Taylor

**Cambridge
Ophthalmological Symposium Chairs
2022 onwards**

2022

The Eye and the Brain
Prof José-Alain Sahel & Prof
Patrick Yu Wai Man

2023

Engineering and the Eye
Dr Paul Meyer & Prof Ian Wilson

2024

Evolution and the Eye
Dr David Williams & Prof Tien Yin Wong

2025

Embryogenesis and the Eye
Mr Manoj Parulekar & Prof Tony Moore
